Participate in UCI's Effort to Spread Awareness of Laboratory PPE on Campus

The UC Irvine [Environmental Health and Safety](#) (EH&S) Department is reaching out to the campus community to get the word out about Laboratory Personal Protective Equipment but we need your help! We are looking for creative artwork to patch onto the 2017 lab coats that will be worn by laboratory researchers on campus. EH&S is sponsoring a contest to find a logo and slogan that can best present the Lab PPE program to the UCI Community. All UCI undergraduate and graduate students in Chemistry, Engineering and Biological Sciences are welcome to submit their logo and slogan into the contest. We look forward to seeing some awesome artwork!

Official Rules

The purpose of the contest is to design a logo and slogan to be patched on 2017 incoming lab coats. The logo and slogan may be used in all media – Including online, print and on other merchandise. The following are the official contest rules:

- This contest is open to UCI undergraduate and graduate students in the Chemistry, Engineering and Biological Sciences Departments.
- In accordance with copyright laws, all submissions must be original art work and slogan and include: PPE (lab coat, eyewear, gloves, long pants, closed toed shoes), be in alignment with laboratory safety practices.
- As a participant in the contest you agree to represent the values of the University of California Irvine.
- One entry per person.
- All entries will become property of UCI. By submitting an entry, each entrant agrees that any and all intellectual property rights in the logo design are deemed assigned to the Regents of the University of California.
- Except where prohibited by law, an entry submission into this contest constitutes permission to use the winner's name, likeness, prize information, and information provided on the entry form for publicity purposes, without further permission or compensation.
- The decisions of the Selection Committee will be final.

- Submit your completed Entry Form and logo design to ehs-ppe@uci.edu by Friday, February 17th, 2017

Selection Criteria

A Selection Committee made up of EH&S, Chemistry, Engineering, and Biological Sciences representatives will evaluate the entries based on the following criteria:

- **Relevance of Design:** Does the logo and slogan entry align with the theme and goals of the UC Laboratory PPE Policy?
- **Originality:** Uniqueness in presenting the message. Does the entry exhibit original design, creativity, and imagination while incorporating the theme of lab safety?
- **Aesthetic Quality:** Does the logo and slogan command attention? Does it display visual balance and color coordination? Do all the elements work together to create a unified and appealing design?

The winner will receive a \$500 Apple gift card. The Selection Committee reserves the right not to select a winner, if in its sole discretion, no suitable entries are received.
