

**SPREAD THE WORD. NOT A VIRUS.**

# SYMPTOMS OF CORONAVIRUS

Symptoms vary from person to person. Always check in with your doctor.

Symptoms may appear 2-14 days after exposure. Seek medical advice if you have been in close contact with a person known to have COVID-19, or if you have recently been in an area with ongoing spread of COVID-19.

**Coughing**

**Shortness of Breath**

**Fever**
