- ☹ **Do not leave doors propped open**
- ☹ **Do not obstruct exits**

RACE

R: Rescue A: Alarm C: Confine E: Extinguish or Evacuate

Fire on the floor...

1. Alert and evacuate people in the room.
2. Close door after exiting.
3. Activate fire alarm.
4. Notify UCI Police Emergency.

Do not hang up until the call is complete.

Trapped in a room...

1. Place cloth material under door to prevent smoke from entering.
2. Repeat and close all doors between you and the fire.
3. Be prepared to signal from window. Break glass if necessary.

Caught in smoke...

1. Drop to hands and knees and crawl.
2. Hold breath as much as possible.
3. Breathe shallowly through nose and use clothing as filter.

Clothing caught on fire...
STOP...DROP...ROLL

✓ For Emergency Dial **911**
